Highlights

Change bulbs less often
Long and reliable lifespan of up to 25 years, ensuring piece of mind especially for lighting in hard to access areas. Life in years is calculated based on 1000 hours of usage per year, which is about 2.7 hours per day across 365 days.

Designed for homes
Comfortable light spaces can be created with Philips' award-winning designs for compact and elegant bulbs.

Instant start
Immediate light when switching on, that is the promise of the Philips instant starting energy saving LED lamps.

No hazardous substances
Philips LED lights contain absolutely no hazardous materials, making them safe for any room and convenient to recycle.

No UV or IR
The beam of light is free of infra-red meaning no heat is radiated, and no ultra-violet light means that fabric and items under this light won't fade.

Superior light quality
Provides a bright white light
